The Department of Health Services (DHS) Medical Review Branch continues to issue replacement Medi-Cal Benefits Identification Cards (BICs) in an ongoing effort to nullify BICs that may have been stolen or misused. As a general safeguard, there is a claims payment requirement when determining recipient eligibility for use of all but select drugs and services. This claims payment requirement was outlined in the July 2003 *Medi-Cal Update* in an article titled "Benefits Identification Card: Billing Reminder" and is repeated as follows.

*Please see BIC, page 2*

**BIC** *(continued)*

When verifying eligibility for recipients who receive new cards, the Automated Eligibility Verification System (AEVS) will return the eligibility message, “For claims payment, current BIC ID number and date of issue required.” Providers must have and use the BIC ID number and issue date from the new card when verifying recipient eligibility. All but excluded providers must have and use the BIC ID number and issue date from the new card when submitting claims for reimbursement. If the BIC ID number and issue date of the new card are not on the claim for recipients whose card returns the message, “Current BIC ID number and issue date required for payment,” the claim will be denied.

The following provider types are not required to provide an issue date on the claim and may bill with either the recipient’s Social Security Number or BIC ID number: Emergency Air Ambulance Transportation, Alternative Birthing Centers, Community Hospital Inpatient, Community Hospital Outpatient, County Hospital Inpatient, County Hospital Outpatient, Genetic Disease Testing, Emergency Ground Transportation, Certified Hospice, Long Term Care Facility and Mental Health Inpatient. For all other provider types, the ID number must be placed on all claims.

For assistance with eligibility, the Automated Eligibility Verification System (AEVS), Point of Service (POS) device or Medi-Cal Web site, [www.medi-cal.ca.gov](http://www.medi-cal.ca.gov), call the POS/Internet Help Desk at 1-800-427-1295. If illegal use of a BIC is suspected, or if there are questions about this policy, call the Provider Support Center (PSC) at 1-800-541-5555.
